

OLIO EXTRAVERGINE D'OLIVA ESTIVO

0,50 LITRI- 0,75 LITRI

We name our EVO " Estivo".

Estivo means "summery".

This was the name used by an ancient agronomist from Rome in the 54 d.C. .

As we pick up our olives earlier than usual, we will achieve the purest quality. At the same time we will obtain a smaller quantity of extra virgin olive oil.

This EVO is composed of several olive-varieties: Casaliva, Leccino, Frantoio, Pendolino and Garganano. The acidity level is very low.

It goes perfectly with fresh vegetables, fish, salads, and several kinds of meats.
